

1.1 Detailed solution For roof edge connection for external insulation with crown flashing

Legend

1. Crown plate
2. Hanging strip
3. Mounting aid (e.g. wood-based panel)
4. Round gravel washed, 16/32mm width min. 30cm
5. Contec.fior seeding
6. Contec.fior RCE roof substrate
7. Contec.flex separating layer
8. Contec.drain water storage / Contec.drain drainage plate
9. Contec.proof EPDM
10. Contec.therm thermal insulation
11. Contec.vap vapor retarder
12. Substructure
