

## 1.2 Detail solution Roof edge connection with steel frame (for steel constructions)

### Legend

1. Crown plate
2. Hanging strip
3. Round gravel washed, 16/32mm, width min 30cm
4. Contec.fior seeding
5. Contec.fior RCE roof substrate
6. Contec.flex separating layer
7. Contec.drain water storage / Contec.drain drainage plate
8. Contec.proof EPDM
9. Contec.therm thermal insulation
10. Contec.vap vapor barrier, installation aid if required (SIA 271,Art.2.2.4ff)
11. Substructure
12. Steel frame
